

7. Brief resume of key persons, specialists, and individual consultants anticipated for this project:

<p>a. Name & Title: Joseph D. Legge, P.E. - Principal</p>	
<p>b. Project Assignment: Electrical Engineer</p>	
<p>c. Name of Firm with which associated: Corbett Legge and Associates, PLLC 431 West Main Street Tupelo, MS 38804 P.O. Box 7370 (38802)</p>	
<p>d. Years experience: With This Firm <u>7</u> With Other Firms <u>24</u></p>	
<p>e. Education: Degree(s) / Year / Specialization BSEE / 1997 / Electrical Engineering and Low Voltage system design</p>	
<p>f. Active Registration: Year First Registered / Discipline 2000 / Electrical Engineering</p>	
<p>g. Other Experience and Qualifications relevant to the proposed project:</p> <p>Mr. Legge specializes in the design of electrical and low voltage systems which include power, lighting, communications and security systems. The design of these systems typically includes alternative system evaluations, engineering calculations, value engineering studies, life cycle cost analysis and code reviews, for compliance with applicable codes and standards.</p> <p>Mr. Legge has participated in several Residence Hall renovations, including general building renovation with electrical systems upgrades as well as projects that deal with only electrical modifications.</p> <p>Past residence hall work includes projects for the University of Mississippi, the University of Southern Mississippi, Itawamba Community College, Northeast Community College and Coahoma Community College.</p> <p>Mr. Legge has participated in projects with independent commissioning agents and has also participated in LEED Certified projects.</p>	

7. Brief resume of key persons, specialists, and individual consultants anticipated for this project:

<p>a. Name & Title: Bobby Creig Corbett, P.E. - Principal</p>	
<p>b. Project Assignment: Mechanical Engineer</p>	
<p>c. Name of Firm with which associated: Corbett Legge and Associates, PLLC 431 West Main Street Tupelo, MS 38804 P.O. Box 7370 (38802)</p>	
<p>d. Years experience: With This Firm <u>7</u> With Other Firms <u>24</u></p>	
<p>e. Education: Degree(s) / Year / Specialization BSAE / 1980 / Mechanical Engineering</p>	
<p>f. Active Registration: Year First Registered / Discipline 1985 / Mechanical Engineering</p>	
<p>g. Other Experience and Qualifications relevant to the proposed project:</p> <p>Mr. Corbett specializes in the design of mechanical systems which include fire protection, plumbing, HVAC, building services piping and process piping. The design of these systems typically includes alternative system evaluations, engineering calculations, value engineering studies, life cycle cost analysis and code reviews, for compliance with applicable codes and standards.</p> <p>The ability of the HVAC system to effectively remove and control building moisture is the single most important criteria for system and equipment selection. Mr. Corbett has extensive experience in designing all types of HVAC systems and offers solutions to effectively address indoor air quality (IAQ) issues without sacrificing energy efficiency.</p> <p>Mr. Corbett has participated in several Residence Hall renovations, including general building renovation with mechanical systems upgrades as well as projects that deal with only mechanical modifications.</p> <p>Past residence hall work includes projects for the University of Mississippi, the University of Southern Mississippi, Itawamba Community College, Northeast Community College and Coahoma Community College.</p> <p>Mr. Corbett has participated in projects with independent commissioning agents and has also participated in LEED Certified projects.</p>
